

CHELSEA REIMER

SOUTHAMPTON HIGH SCHOOL
MATHEMATICS/SPECIAL EDUCATION TEACHER

Hometown:
West Islip, New York

Name of high school attended:
West Islip High School

College(s), major(s) and certifications:

- SUNY Oneonta, Bachelor of Science, Major: Adolescent Education — Mathematics, Secondary Major: Mathematics
- Currently finishing my Master of Education in Curriculum and Instruction: Special Education through Liberty University

Family:
I have a rescue dog (rescued from Hurricane Harvey in Texas) named Harvey!

Hobbies: Paddleboarding, running, exercising, going to the beach.

Achievements: Member of the National Student Athlete Honor Society at SUNY Oneonta, given the “Best and Brightest” award at SUNY Oneonta (required having at least a 3.5 GPA, outstanding achievement in academics, college involvement and community service) and completed two half-marathons (both under 1 hour, 50 minutes).

Career aspirations as a child: To be a health or physical education teacher. After taking my first mathematics class in college, I realized how much I loved math and wanted to become a mathematics teacher.

Reason for selecting Southampton: After recently moving to East Moriches, I have truly developed a love for the East End of Long Island. I’m beyond excited to be part of a school district that takes pride in developing relationships among the community members, families, staff and students. I can’t wait to meet my future students and inspire them, through learning, to make positive contributions to their community and this world.

STAFF SPOTLIGHT

The Southampton Union Free School District strongly believes that our future leaders benefit greatly from an education that involves EVERY member of the school district community. Knowing this, each staff member takes great pride in playing a role that directly influences student growth. Through our Staff Spotlight series, we will introduce the community to these dedicated employees, starting with the newest members of our Southampton team. Each individual joins our district with skills and experience that will enable our students and district to flourish.
