

DAVID LUCAS ALMODOVAR

SOUTHAMPTON HIGH SCHOOL
STUDENT SUPERVISOR

Hometown:
New York, NY

Name of high school attended:
St. Agnes Boys High School

College(s), major(s) and certifications:

- LIU Southampton: B.A. in liberal studies with a concentration in psychology

Family: Married with a dog named Draco. He is a black German Shepherd and is now seven months old.

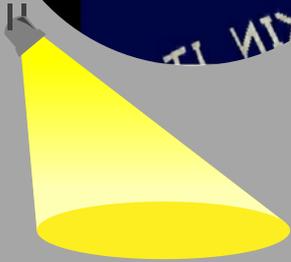

Hobbies: I enjoy taking hikes with my dog, traveling, spending time with family, learning (lifetime learner), theme parks and walking my hometown at night (something about the buildings and city lights).

Career aspirations as a child: As a child, I always had a vision of working with tough kids. I used to want to work specifically with juvenile delinquents.

Achievements: Three of the biggest accomplishments in my life are all education-related. I was the first and only one in my immediate family to earn my high school diploma. I then took it a step further and earned my B.A. from LIU Southampton in May of 2005 and obtained a position with Southampton Schools as an aide. Now, I am a student supervisor for Southampton High School.

Reason for selecting Southampton: I chose Southampton because the community has always been my home away from home. I was fortunate enough to have a “Big Brother” (volunteer for inner city youth) who would bring me out to the Hamptons every now and again since I was in third grade. I decided to attend college out here and pretty much just stayed. I moved to Orlando, FL. in 2008 and then moved back to Southampton six years later.

Other comments: I love my new role as student supervisor. I will be great, fair and equitable to our students, families and community. Thank you for choosing me.

STAFF SPOTLIGHT

The Southampton Union Free School District strongly believes that our future leaders benefit greatly from an education that involves EVERY member of the school district community. Knowing this, each staff member takes great pride in playing a role that directly influences student growth. Through our Staff Spotlight series, we will introduce the community to these dedicated employees, starting with the newest members of our Southampton team. Each individual joins our district with skills and experience that will enable our students and district to flourish.
