WWW.SOUTHAMPTONSCHOOLS.ORG

Welcome to the 2017-2018 School Year!

A Message from the Superintendent

It is hard to believe that the summer passed so quickly and that it is time to commence the 2017-2018 school year. I am happy to report that students are eager to return to their classroom activities and lessons, and the faculty is motivated to provide engaging and challenging curriculum.

The start of each school year in the Southampton School District signifies opportunities to set goals and to bolster the educational experiences that the administration and faculty provide for students on the elementary, intermediate and secondary levels. This year, the district will continue to maintain its commitment to increasing opportunities in the areas of science, technology, engineering and mathematics. In an effort to complement programs at the high school, the STEM-based Project Lead the Way initiative will be expanded to the intermediate and elementary schools.

The same is true of the district's music and visual arts programs. For the second consecutive year, the NAMM Foundation honored the district as one of the Best Communities for Music Education for its commitment in this area. This school year, the district will coordinate and enhance the feeder programs for music and visual arts at the elementary and intermediate level to the high school in order to better promote what is currently a stellar program.

As it is the district's goal to provide students with an education that readies them for college and careers, our faculty is committed to expanding their understanding of and making new connections to the outside world. Through the continuation of community-based learning opportunities, students will readily gain a deeper understanding of the curriculum and their positions as citizens of a global society.

Having completed my first full year as superintendent, I again look forward to working with the members of the Board of Education and community in providing your children with the quality education you expect.

Whether or not you have children attending our schools, I invite you to enjoy and support our students by attending the numerous concerts, plays, athletic events and academic programs offered throughout the year and included in this calendar. Our students have been the beneficiaries of a strong school-parent-community partnership that supports education. I am confident that together we can make that partnership even stronger.

Sincerely,
Dr. Nicholas J. Dyno
Superintendent

MISSION STATEMENT

Southampton School District, in partnership with our diverse community, will educate students in a safe, supportive environment and equip them with the knowledge, values and skills to become responsible citizens in a dynamic global society.

Overview of Board of Education Policies

The **Board of Education Policy Book** is the **primary governance document for the goals and operations of the Southampton Public Schools**. Board of Education policies are written and approved in accordance with State Education Law, but also reflect the culture and values of the local school community as determined by duly elected trustees following public readings and opportunities for input.

The complete **Board of Education Policy Handbook** is accessible in printed form for public inspection in the district office and in electronic form on the school district website (southamptonschools.org > BOE tab > Policy Book). We encourage you to peruse the entire policy handbook, but we realize that some policies generate more interest or have more implications than others. We are, therefore, listing here **selected key policies** that generate the most interest and questions (**please reference the actual policy for full details**):

1. **Mission Statement and Vision (#0000)** – Includes District Core Beliefs; Tied to Goals (#0200).
2. **Print & Electronic Communications (#1110)** – Lists Official Means of Communications Used by School Administrators & Staff vs. School-Related Sites Operated by Community Organizations & Individuals.
3. **Public Use of School Facilities (#1500)** – Eligibility & Conditions for Using Indoor/Outdoor Facilities.
4. **Home-Schooled Students (#1741)** – Requirements and Procedures for Educating Students at Home.
5. **Board of Education Meetings (#2310>2352)** – How BOE Meetings Are Developed, Posted, Conducted.
6. **Organizational Chart (#3230)** – Chain of Command – BOE, Administration and Staff by Department.
7. **Special Education (#4321.0>.11)** – Complete Description of Laws, Rights, Procedures, and Programs for Special Education; Policy Sections also Address Other Support Services for Various Students.
8. **Computer Network & Internet Use (#4526)** – Purpose & Restrictions, Including Prohibition of Cyber-Bullying, Harassment & Inappropriate Postings – Staff, Students, and Parents Must Sign Acknowledgement, Understanding and Acceptance of School District Guidelines. (See major changes under “Online Communication and Social Networking.”)
9. **Grading and Class Rank (#4741)** – Explains Graduation Requirements, Including Courses and Exams; Required Seat-Time, Participation, Science Laboratory Requirements; Guidelines for Tutoring; Treatment of Southampton vs. External (Transfer, Online, College) Credits; Determination of Graduation and Other Honors, etc.
10. **Required Attendance (#5100)** – Students Must Attend 85 percent of Classes for Credit or Promotion. The Attendance Policy.
11. **Code of Conduct (#5300)** – Under Continuing Development to Complement the District’s Social-Emotional Curriculum, the Code of Conduct Outlines Consequences for Failure to Comply with Academic or Behavioral Standards. Consequences Vary Based on Age, Frequency, and Severity.
12. **Recognition of Exceptional Service (#7500)** – How the District Considers the Awarding of Recognition of Students, Staff and Community Residents (Including Deceased) Who Have Given Outstanding Service to the School District.

Online Communication and Social Networking

Faculty and staff and students are encouraged to use our interactive website and tools; however, all must be utilized within the context of educational usage. Staff-created blogs or other online content must also only occur within the context of educational usage. Users must follow the District Network and Internet policy as well as proper etiquette, including but not limited to, using proper language with no vulgarity and no cyber-bullying or spreading falsehoods about another that lowers the affected individual in the eyes of the community. Teacher/parent/student interactions online must only occur within the context of educational usage.

For the protection of both students and staff, the district strongly advises that staff do not “friend” students on public networks, since lines of personal and professional boundaries are not as clear in social networking sites. Friending students on private or school-based networks for educational purposes is acceptable within the context of educational usage.

Southampton School District employees must disclose employment status when posting/submitting a comment or question through the Official School District Publications (Ref. Policy #1101). Even if you are responding while at home, working for the district is a material fact that may influence content and that community members have a right to know about. To maintain the integrity of our Facebook Community Page, the district reserves the right to remove any comment if we feel the nature of your comment is confidential, shares information not generally available or recommends an action that could adversely affect our students or staff.

Code of Conduct

An age-appropriate version of the Code of Conduct is presented to all students at the beginning of each school year. A plain language summary of the Code of Conduct is mailed to all families prior to the beginning of each school year and is available upon request. The full Code of Conduct is posted on the District’s website and available in the main office of each school building. Questions regarding the Code of Conduct should be directed to the building principal.

Use of School Buildings

Nonprofit, nonsectarian organizations may have the use of school facilities under appropriate circumstances. Application forms containing specific regulations are available in the district office. For more information, please contact Buildings and Grounds at 631-591-4514.

Student Registration

To enroll children in school, parents or guardians are to come to the Administration Building at 70 Leland Lane, behind the Intermediate School. Call 631-591-4517 for an appointment to complete registration. Please note that there will be a 24-hour waiting period from the date of registration until your child will be allowed to attend classes.

For all students entering school, the district requires the following:

- Proof of residency in the school district
- Proof of child's age
- Proof of immunization
- Transfer or discharge notice from former school district
- Physical examination within 12 months of date of entrance

Pre-K and Kindergarten Registration

Any child entering the Pre-K Program for four (4) year olds must turn four (4) years of age before December 1, 2017. Any child residing within the school district who will become five (5) years of age on or before December 1, 2017 is eligible to apply to admission for kindergarten. For more information, please contact the Elementary School main office at 631-591-4800.

Family Educational Rights and Privacy Act (FERPA)

Unless objection to any of the specific items of information following is submitted in writing by parents or legal guardians, or by those students themselves who are 18 years of age and older, the Southampton Public Schools herewith gives notice of intention to provide and release all of the following information pertaining to students as may be appropriate under the circumstances: name of student, names of parents, address, telephone listings, age, height, weight, grade, major field of study, participation in recognized school activities, extracurricular activities, sports programs, academic honors, achievements, awards, scholarships, similar information/photos where appropriate.

Under the Title 34, U.S. Code, Part 99, Family Educational Rights and Privacy Act, parents who do not desire the release of any of the above directory information must make a specific request in writing to the building principal by September 11, 2017. Failure to make such a request shall be deemed as consent to release, provide, or publish information during the school year.

FERPA also enables parents/guardians and students at least 18 years of age the right to: inspect and review education records; amend education records; consent to disclosure of personally identifiable information in education records; and file a complaint with the U.S. Department of Education.

Bus Transportation

Parents of students attending private or parochial schools must submit a written request for new or continued bus service for the 2018-2019 school year. Requests must be made to the District Business Office at 70 Leland Lane, Southampton, NY 11968 on or before April 1, 2018. Upon receiving approval, parents should then contact the Transportation Department at 631-591-4541. Forms for changes are available on the district website.

If family circumstances require a temporary change of bus route for a student, the parent/guardian must send a letter to the building principal. The building principal will contact the parent/guardian to discuss alternative busing options.

In the event of a bus accident, students who are seriously injured will be transported by ambulance to Southampton Hospital Emergency Room accompanied by an official of the school district. Parents will be notified immediately.

Nutritional Information

Free and Reduced Price Meals

Children need healthy meals to learn, and Southampton Public Schools offers healthy meals every school day. Children from households that meet federal income guidelines are eligible for free and reduced price meals. Applications must be completed by September 30 of each school year and are available in the main office of each school building, in the district office, and within the District Nutrition section of the school website. Forms are also mailed out each summer. For more information, please contact Food Services at 631-591-4637.

MySchoolBucks

Southampton Public Schools Food Service Department is excited to provide parents a convenient, easy and secure online pre-payment service to deposit money into your children's school meal account at any time. This service also enables parents the ability to view what your child is ordering each day and their daily balance through a website called www.myschoolbucks.com. For more information, please call the Food Service office at 631-591-4637.

ConnectEd

In the event of an emergency situation, a school closing or early dismissal, you will receive a message from our ConnectEd service, our school-to-parent communication system that allows us to send important messages to you by telephone and/or email. ConnectEd supports the district's ability to reach you immediately in the event of any emergency, such as a school closing. All calls will be sent to home, work and cell phone numbers that have been entered in PowerSchool, our student management system.

We also send out informational messages or announcements to remind you of important events. Please assist us by making sure your contact information is always up-to-date.

Two-Hour Delayed Opening

When a "Two-Hour Delayed Opening" is announced for Southampton Public Schools, students in grades K-12 will report to their bus stops exactly two hours later than they normally would.

Emergency Schools Closings

When schools are closed due to inclement weather, bad road conditions or other emergencies, a ConnectEd message will be sent. Information will also be posted on our school website, www.southamptonschools.org, and can be found on News 12 Long Island.

Information will be called into Cox Radio, Inc., Island 94.3, KJOY, LOVE 96.1, WALK 97.5, WBAZ 102.5 The Lite on the Bays, WBZO, WLNG in Sag Harbor, WHLI, WRCN and 103.9.

Visitors to the Schools

Visitors are welcome in our schools. All visitors are required to follow the policy established by the New York State S.A.V.E. (Schools Against Violence in Education) Legislation.

During school hours, all visitors are to sign in at the security desk inside the main door. All visitors must show and leave their identification with the security guard at the door. At the end of the visit, all visitors must sign out and retrieve their identification from security.

Visitors wishing to spend time in the school for other than routine parental/guardian matters must obtain prior permission from the school principal. The school principal shall refer visitation requests to the superintendent when they are unusual or questionable.

Classroom visitors during periods of instruction are not allowed. A separate appointment with the teacher is requested to discuss specific questions or interests outside of instructional times.

The principal, by state law, is authorized to take any action necessary to secure the safety of students and school personnel. Unauthorized visitors shall be requested to leave school premises immediately, and will be subject to arrest and prosecution for trespassing if they refuse.

No Child Left Behind - Parents Rights to Know

All teachers and paraprofessional staff employed by the Southampton Union Free School District are highly qualified as per the No Child Left Behind Act of 2001. Parents of students attending schools that receive Title I funds may request information regarding the professional qualifications of their child's classroom teacher and paraprofessional staff. For more information, please contact Jason Barkley, Personnel Assistant, at 631-591-4516.

Title 1 Parent Meeting

The 2017-18 Annual Title I Parent Meeting will be held immediately preceding the elementary school Open House. The meeting will inform parents of the school's participation in Title I and will review the requirements of this part and the right of parents to be involved.

Sex Offender Notification

In order to provide parents/guardians and residents with information concerning convicted sex offenders who are living or working in this district, our school district is now benefiting from a sex offender alert notification program. Parents for Megan's Law (PFML) will email district residents who have registered (registration forms may be accessed on the district website), informing them of any new sex offender's presence, and direct them to their website where they can access a full copy of the notification. Residents can contact PFML directly at 631-689-2672 for additional subscription forms for the no-cost program or go to their website at www.parentsformeganslaw.com.

For more information and related sites, please refer to our school website at www.southamptonschools.org.

Notice of Non-Discrimination

Pursuant to federal laws including Title VI, Title IX, Section 504, the Age Discrimination in Employment Act, the Americans with Disabilities Act, and the Boys Scouts of America Equal Access Act, as well as New York State's Dignity for All Students Act, notice is hereby given that:

Southampton Public Schools is committed to a policy of equal opportunity for all qualified persons, except in the case of a bona fide occupational qualification or as otherwise permitted or required by law, and does not discriminate in any educational or vocational program, activity, employment or promotional opportunities on the basis of race, color, national origin, sex, disability, age, religion or any other basis prohibited by New York State and/or federal nondiscrimination laws.

The District has designated specific administrators to coordinate activities and efforts to comply with the aforementioned non-discrimination laws and policies. Inquiries or complaints should be directed to the following administrators:

Pesticide Notification

The pesticide Neighbor Notification Law (Section 409-h of the Education Law) has formalized the notification process. The pesticide Neighbor Notification Law, effective July 1, 2001, applies to all public and non-public elementary and secondary schools. Anyone wishing to be placed on the advanced notification list to receive 48 hours written notice of an actual pesticide application should register with the school nurse. This notification will explain the specific date and location of the upcoming pesticide application, the pesticide product name and EPA product registration number, and the name of the school representative to contact for further information.

Asbestos Management Plan

The Asbestos Hazard Emergency Response Act (AHERA) of 1986 is a federal law enacted in 1987 which requires all school districts to reinspect facilities for building materials containing asbestos. Our buildings have been inspected, and response actions are planned to ensure a continued safe environment for our students and employees. Actions include training of maintenance staff to prevent disturbance of asbestos and periodic reinspection and surveillance activities by trained personnel. Details of such activities are described in the District's AHERA Management Plan, which is available for review in the main office at each school building, as well as the facilities administrator's office.

Disposal of District Property

Each year, a determination shall be made of which equipment, supplies and/or materials are obsolete and cannot be salvaged or utilized effectively or economically by the school district. Such equipment, supplies, or materials shall be sold through bid procedures on Auctions International. All notices of sales will be posted on the school's website and are available to the general public to bid on @ auctionsinternational.com.
